MAC 'n CHAO

From our Family to Yours!

We are excited to announce that we have crafted a rich and flavorful penne Mac 'n Chao with the perfect combination of tang, creamy texture and umami. We present this updated classic to you and hope you have a delicious day!

About our Mac 'n Chao

Tender pasta meets a deliciously rich sauce made with our Creamy Original Chao Slices. This instant classic has all the homestyle goodness you grew up with, crafted completely from plant-based ingredients. Add your own pasta to our sauce or use our sauce and pasta kits for an easy and tasty addition to your steam table or to-go meals. Our Creamy Original Chao sauce is also great over vegetables, on top of corn chips for delicious vegan nachos, as a creamy soup base or as simple addition to vegan casseroles.

Sauce & Pasta Kit:

Our foodservice kit includes one packet of our pre-cooked tender penne pasta and one packet of our Creamy Original Chao Sauce.

Heating Instructions: Place frozen sauce bag in to pot of boiling water for approximately 45 minutes or until hot. Remove bag from pot, and set aside. Add frozen noodles to boiling water. Stirring once, cook for two minutes. Strain pasta, and move to a large bowl. Carefully cut open the bag of sauce, and add to bowl with noodles. Toss to combine, and serve.

Sauce Only:

Our foodservice sauce simply includes two 5 lb Creamy Original Chao Sauce packets.

Heating Instructions: Place frozen sauce bag in to a pot of boiling water for approximately 45 minutes, or until hot. Remove bag from pot, and open carefully.
