FRANKFURTERS - Retail

At Field Roast, we believe real is better than fake. Our plant-based Frankfurters are simply made using culinary techniques of the old world. Fresh garlic, onions and our own blend of traditional spices are combined into a dough with real fat and hickory smoke. Steamed in our ovens these links are fully cooked and ready for the grill. We say “Frankfurters” because we believe it’s time for the veggie dog to come back to its roots.
