## FRANKFURTER - Food Service and Retail

At Field Roast we believe real is better than fake. That's why our old world-style vegetarian frankfurters are made using the simple tenets of good cooking, real ingredients and uncomplicated techniques. Fresh garlic, fresh onions and our own traditional blend of spices make the difference.

Grill on the barbeque, sauté in the pan, steam in the oven or microwave to perfection, our versatile Frankfurters are an easy going partner in the kitchen or out on the field. We say "Frankfurters" because we believe it's time for the veggie dog to come back to its roots.
