FIELDBURGER - Retail & Food Service

We present to you a juicy burger that is full of classic burger flavor and right at home on the grill. Our FieldBurger is pleasing sports fans across the country on stadium menus because they raise the bar on the antiquated hockey puck veggie burger we all know so well. Formed by hand in Seattle and built from barley, fresh carrots and celery, these burgers are a meat eater's delight. Pile on your fixings or crumble into chunks for chili and you'll believe.
