GRAIN MEAT SAUSAGES - Food Service and Retail

From our family to yours! Field Roast sausages are made using traditional, old-country, sausage making practices. We begin, where all sausage makers begin; with a grind; ours of grain meat. We chop our own fresh vegetables; eggplant, Yukon Gold potatoes, onions and garlic. Add some liquids; zesty lemon juice, rich red wine from a local winery, organic apple cider vinegar and finally the seasonings; fennel seed, sweet red pepper, rubbed sage, ginger, Chipotle and Chili de Arbol peppers and voila!; an artisan vegan sausage with sizzle, texture and personality! Available in food service and retail packs.

3 flavors:

Italian traditionally seasoned with fresh eggplant, zesty red wine, pungent fresh garlic and plenty of fennel

Mexican Chipotle a spicy-hot blend of smoked Chipotle peppers, Chili de Arbol peppers, fresh chopped garlic, sweet onions seasoned with cumin seed and oregano

Smoked Apple Sage a unique combination of sweet granny smith apples, savory Yukon Gold potatoes and pungent rubbed sage and ginger.
