## **CHAO SLICES**

Welcome to Field Roast's newest family member: Chao Slices come pre-sliced and melt easily making them perfect for hot sandwiches like grilled cheese. Try with Field Roast Deli Slices (Smoked Tomato or Wild Mushroom) for delicious cold deli sandwiches and paninis.

Chao Slices are an imported vegan coconut cheese alternative seasoned with a traditionally fermented soybean curd called Chao by the Vietnamese. We continue our fascination with blending Asian and European heritages by partnering with a Greek cheese maker and a family company in Taiwan who makes the Chao. We bring it all together in Seattle to create Chao Slices.

Serving Suggestions: Make a deli sandwich with Field Roast Deli Slices. Slap onto of one of our new handformed Field Roast Burgers. Slice into salads or just eat 'em plain! Grilled cheese, anyone?
